

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,  
and Handling of Food."

I want the FDA to continue prominent labeling of food that has  
been treated with irradiation. The label should be conspicuous and  
include the logo for irradiation.

Your Signature: Chad Hunt

Additional comments: The FDA was created to  
protect the consumer, not to work  
for corporations.
